Disclosure of pre-existing injury or illness: (identify any pre-existing injury that may require ongoing treatment or management by you or a treating veterinarian and what treatment is currently being undertaken)

Injury/illness under management: _____

IMPORTANT NOTE: we are a purely volunteer club and not-for-profit organisation. The agistment of horses is managed by volunteers and for that reason, we do not accept horses who have an injury or illness which requires the horse to be continuously using the hospital bays on the club grounds or otherwise requires the intervention of the Agistee Manager or the Committee Members to ensure the animal's needs are being suitably cared for. We therefore reserve the right to reject any application for agistment if we form a view that the horse is not suitable for agistment on our grounds due to ongoing treatment and injury management. We also reserve the right to terminate your agistment, once accepted by the Committee, if it is discovered that you failed to identify a pre-existing injury or illness requiring management.

You must tick your acceptance of each of the conditions below, and sign and date this form.

- I have read, understood, and agree to comply with, the Fig Tree Pocket Equestrian Club Inc (**FTPEC**) Agistment By-Laws as amended from time to time.
- I agree for my contact details to be available to other agistees in the case of an emergency regarding my horse.
- FTPEC is considered an "at risk" location for Hendra and I agree that I will maintain all Hendra vaccinations for the entire time that my horse is agisted at FTPEC. I acknowledge that any failure by me to maintain Hendra vaccinations may result in the Committee terminating this agistment agreement with immediate effect.
- I understand that horses are unpredictable, and acknowledge that it is reasonably expected for my horse to incur an injury (or injuries up to and including death of my horse) when kept in open agistment with other horses. By signing this Agistment Agreement, I acknowledge, and I agree, to release FTPEC and its officers, officials, Committee members (**Releasees**) from all liability howsoever arising in respect of such injury or death of my horse and agree that the Releasees are not liable to me (or the owner of the horse as the case may be) or responsible for any injury, illness, or other such disability my horse incurs whilst on the grounds. I release the Releasees from any and all injury that my horse may sustain from being agisted on, or from using, the FTPEC grounds.
- I agree to the FTPEC Committee communicating with me via the Facebook page for FTP agistees, via text message and/or via email.
- I agree to follow the directions given to me by a committee member and/or by the Committee, including but not limited to the Agistment Manager.
- (Applicable if keeping a float on the grounds) I acknowledge and agree that the Committee, and/or any committee member may direct me to move my float to specific locations identified to me on the FTPEC Grounds and may even direct me to remove my float from the FTPEC grounds completely. If such a direction is given to me, I agree that I will do so within the timeframes given to me by the Committee and, if I am unable to so comply, I irrevocably consent to a Committee Member moving my float to a different location on the grounds and/or to remove my float from the FTPEC grounds
- I agree to work 16 hours per quarter per horse in addition to membership requirements (unless otherwise stipulated in the membership by-laws).
- I acknowledge and agree that if my membership and this agreement is terminated for any reason, I must, within 5 business days (unless otherwise agreed in writing with the Committee) remove my horse from the FTPEC grounds and, if I fail to do so, I irrevocably authorise the FTPEC committee (or any one of the Committee members) to remove the horse from the grounds and deliver my horse to any RSCPA premises or pound. I acknowledge and agree that in the event of my horse being removed from the grounds as contemplated herein, this clause will operate as a bar to any action I may otherwise have against the Releasees arising from the removal of my horse from the FTPEC grounds.
- I warrant that I have provided correct details and information in this application form and that my agistment may be terminated by the Committee if it is discovered that any of the information is incorrect or false.
